

ENERGY INNOVATION CHALLENGE 2018

Unlocking a smart future through engineering solutions!

The Institution of Engineers, Singapore (IES) will host the **National Engineers Day (NED)** on 26 – 28 July 2018 in Suntec Singapore.

One of the highlights of NED 2018 is the “Energy Innovation Challenge” which provides an opportunity for university students to design or invent a product using **SMART Engineering Solutions** focusing on four areas: Health, Living, Mobility and Services. IES invites you to be a part of this exciting journey with your active participation.

STAND TO WIN

1st Prize: **S\$8,000 + Trophy**

2nd Prize: **S\$5,000 + Trophy**

3rd Prize: **S\$3,000 + Trophy**

Up to 7 Merit Prizes: **S\$1,000** each

Popularity Award: **S\$3,00**

(bring your friends and family to support and vote for your team!)

Register by 23 April 2018

Registration is **Free**.

Organised by

HOW TO PARTICIPATE

The Challenge is to design or invent a product using SMART engineering solutions for better energy efficiency in SMART cities ”.

- Form a team of maximum 5 members.
- Submit a proposal of not more than 800 words on background, project description and prototype proposal by **23 April 2018**.
- Shortlisted teams will be informed by **11 May 2018** and will receive fund of S\$500 at NED2018 to develop their prototype.
- Detailed proposal to be submitted to IES by **13 July 2018**. Teams are to bring along their prototypes on the day of the competition to present to the judges.
- Judging Criteria:
 - Creativity
 - Technical Feasibility
 - Quality of Deliverables
 - Relevance
 - Cost Effectiveness
